

Attention CET Dealer

This end user quarterly promotion is designed to help generate sales for you during: April, May, and June 2017. It is being used in print ads, digital ads on Face Book etc. If you would like to add this promotion to your marketing efforts, website etc. for your specific customers- please let us know. **Available Now.**

How it works

When the customer orders the promotional product from you, include the "Promo Code" from the ad, and fire department name with your order to CET. Our staff will apply the advertised special discount/offer benefits to your quote, PO and invoice. It's that simple.

Watch for new offers each quarter. Contact your CET Regional Sales Manager for more details.
